SUMMARY

Results-oriented Electrical and Electronic undergrad Engineering student seeking a challenging position to apply expertise in designing and implementing innovative solutions for complex engineering challenges. Proven track record of success in project management, problem-solving, and cross-functional collaboration. Adept at utilising cutting-edge technologies to optimise processes and enhance overall efficiency.

AREA OF EXPERTISE

- Microcontroller programming (C/C++ on ESP32 / Teensy / STM32)
- Proficient with Raspberry Pi, Jetson Orin
- Custom PCB design (KiCad , EasyEDA)
- CAD modeling (Solidworks)
- ROS2 (proficient with Gazebo, RViz, isaac Sim, Mujoco)
- Web development (Full Stack)
- App development (Flutter based)

WORK EXPERIENCE

Web developer at DC office Mymensingh **September 2025-October 2025**

- Led the development of a complete employee database, including workplace management.
- Minimalist design to handle for any tech-experienced person.
- Ensuring data integrity by deploying enterprise-grade security protocols.

Deputy Coordinator at Research Lab Bangladesh **April 2024- August 2024**

- Robotics Workshop Trainer, programs funded by the National Museum of Science and Technology.
- Organised robotics olympiad at Chittagong Hill Tracks district, Rangamati, under financial funding and supervised by the National Museum of Science and Technology

KEY ACHIEVEMENTS

- **NASA Space Apps Challenge Global Nominee:** Being 1st runner up in the Chittagong Divisional round got selected among the world's top 900 teams.
- **MillionX AI Buildathon:** Ranked top 20 startup among 462 teams.
- **NASA Mars Rover Rally Challenge:** Positioned as 5th team globally.

EDUCATION

Bachelor in Electrical And Electronic Engineering **October 2024- Present**

Chittagong University of Engineering & Technology

- Relevant coursework in PCB design, CAD modeling and programming

ADDITIONAL INFORMATION

- **Technical Skills:** Mechatronics System Integration, Automotive Engineering Technology, Project Management, Robotics, and Automation.
- **Languages:** English, Bangla.
- **Certifications:** CSWA (Certified SOLIDWORKS Associate).
- **Activities:** Active member of CUET's Mars Rover, Formula Student, Robosub, Cansat, and Cubesat Team.
